Local Attractions Offer Reciprocal Admission to Members in 2018

Portland, OR – December 13, 2017 – Back by popular demand, museums and attractions in the Portland metro area and beyond have teamed up to offer a reciprocal membership program in 2018. Created by members of the Portland Attractions Marketing Alliance (PAMA) in 2015, this special promotion was initiated as a way to show appreciation for each attraction’s loyal members, as well as to highlight the important role that cultural attractions play in the community.

PAMA is excited to announce the addition of four new attractions to the reciprocal membership program. The Architectural Heritage Center, Clark County Historical Museum, Columbia River Maritime Museum, and Oregon Coast Aquarium join the Oregon Zoo, World Forestry Center, Oregon Historical Society, Lan Su Chinese Garden, Rice Northwest Museum of Rocks & Minerals, Evergreen Aviation & Space Museum, Washington County Museum, & Deepwood Museum & Gardens in offering its members **free admission for up to four people during the months listed below:**
